TESTIMONY

I am writing to tell you that Joyce H. of Winnetka, Illinois, who we (all members of the Circle of Power prayer fellowship) prayed for has had great improvement in her vision. She had suffered from some rare disease and almost lost sight in her left eye. The doctors never expected it to improve to this degree. Joyce sees fine, no blurred vision, and only notices the problem at all if she closes her right eye. This is a beautiful healing. Praise God for His endless blessings.

Joliet, Illinois

Since I talked with you and gave you my list of problems for which I wanted healing prayers, the skin problem has been completely cured.

I am only one. But still I am one. I cannot do everything, but still I can do something; and because I cannot do everything I will not refuse to do the something that I can do.

PROGRAMS

THE HEALING MINISTRY

The Lord blesses this work with many remarkable healings of body, mind and spirit. At Faith Center and in institutions around the city we pray with the sick and give counsel to those who are oppressed. Through our prayer fellowship, the Circle of Power, we reach out with the healing love of Jesus Christ to people all over the world.

THE CLOWN MINISTRY

Our ministers and volunteers become clowns for Christ, bring love, laughter and toys to children who are terminally and seriously ill. Volunteers are welcome in many capacities, and we invite you to call Faith Center.

THE PRISON MINISTRY

Our work focuses on the importance of each person undergoing a profound personal change, by receiving Christ, so that, upon release, he or she does not simply return to a self-destructive lifestyle. Our current programs include counseling in Georgia's death row

ANIMAL ACTION

When God gave mankind dominion over the earth and its creatures He did not have in mind the abuse and abandonment of His creatures, nor their torture in scientific experiments. Nevertheless these things happen on a vast scale. We, therefore, give a very high priority to working against such abuse wherever we can

CHRISTMAS CELEBRATION

Blessings to you in the name of Jesus Christ, our Lord and Savior, as we celebrate His birth. Jesus is the Prince of Peace, and only in Him and through Him can we find peace. For this world is full of "wars and rumors of wars," but His Kingdom is not of this world, as He tells us many times. Let us, therefore dedicate our lives to Him and for Him, and find the true peace, and love, and healing that He brings us as we look forward to His Second Coming in great power and glory. Glory to God in the highest.

We wish you a joy-filled Christmas, and welcome you to Faith Center at 8PM on Christmas Eve for festivities and fellowship, and a special midnight carol service to usher in Christmas Day.

Which is the clown and which is the nurse? Lilac (Rev. Grace Michaels) - left - appears to be serenading this Grady Hospital nurse in her party gear!

Atlanta: This time of year is, of course, a time of much festivity, and the clowns have been in great demand for special parties at the hospitals, as well as their normal visits.

All Hallowes Eve saw special visits to both Egleston and Grady Hospitals. In the evening Daffydil (Rev. Nathania Gartman) held a party at Egleston for all the children, who dressed up, with her help, in all sorts of fun costumes. While there Rev. Garman noticed a lively 5 year old, Katie Ward. At first Rev. Gartman did not realize she had seen her several weeks before, so dramatically had Katie's condition improved. Katie is suffering from leukemia, and all members of our prayer fellowship, the Circle of Power, have been praying for her. Praise the Lord for the great improvement in her condition.

How on earth do you do that? Daffydil (Rev. Nathania Gartman) pulls that old magic light bulb trick to a rapt audience.

As we go to press Revs. Gartman and Grace Michaels are preparing special Thanksgiving events, not to mention Christmas and New Year! A clown's work is never done!!

Daffydil teaches this young man how to operate a hand puppet.

Birmingham: December 1st will see Rev. Grace Michaels in Birmingham, visiting Children's Hospital and Carraway Methodist Medical Center in the company of dedicated volunteers, Sharon Craiger and Sheila Mayfield (Peanuts and Marshmallow!). Sharon initiated the visits to Carraway, and she and Sheila had already conducted an extremely successful visit. Praise the Lord for you both, Sharon and Sheila, for all the fine work you are doing to expand the Clown Ministry in Birmingham, and bring the Lord's love and laughter to many other sick children.

The evening of the 1st will see Rev. Michaels conducting a meeting of volunteers at Sharon's home, to help those relatively new to the Clown Ministry to become involved in the visits. Members of "the Explorers," a group of young people run by Mike Bobyarchak of the Jefferson County Sheriff's Department will be present and looking forward to clowning. Praise the Lord for all of you.

TOY BANK

We have opened a Toy Bank at Faith Center, and have begun collecting toys for distribution in the hospitals at Christmas time. Anyone who has toys, and would like to donate them for this purpose, please contact Rev. Michaels or Rev. Gartman, or simply mail them or bring them by Faith Center. If you do not have toys, please just mail your check, and mark the envelope, "Attention Toy Bank."

Dartesha Tapp, a young patient at Grady, clearly enjoys trying out this hand pupper.

ANIMAL ACTION

Aide Bob Kellar and Disciple Margery Cunningham have been very active in helping Mobilization for Animals (MFA). Both participated in and helped organize a successful fund-raising event on October 29th involving funny costumes, and all sorts of party games and events, suitable for children of all ages! Rev. Nathania Gartman led a party of children from Faith Center and everyone had a great time.

On November 12th we made Faith Center available for a MFA buffet lunch and auction, again to raise funds for MFA's invaluable work on behalf of God's creatures. We wholeheartedly endorse the work of this very fine organization. If you would like to know more we suggest you contact Jane Bass, Georgia Co-ordinator, PO Box 888665, Dunwoody, GA 30356, or call her at (404) 399-6732.

Walter (left), a resident at Nursecare, a nursing home near Faith Center, obviously appreciates his visitors, Pippin, Young Isaac, and Brother Kevin Mendenhall. These visits are part of our Pet Therapy program conducted by Rev. Abigail Johns.
